Declaration of REACH Compliance

Compliance with EC Regulation No. 1907/2006 – REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals)

ZIPP GROUP INC. (hereinafter referred to as "ZIPP") hereby makes the following declaration to customers concerning the compliance of its products with the REACH Regulation (EC No. 1907/2006):

1. Product Classification:

ZIPP's gear reducer, machining, and gearing parts (hereinafter referred to as "Products") are classified as "Articles" under Article 3(3) of the REACH Regulation. Based on ZIPP's current knowledge, none of the substances contained within these Products meet the registration requirements stipulated in Article 7 of REACH. As such, ZIPP is not obligated to register any of its Products or the substances contained therein with the European Chemicals Agency (ECHA) under Article 7 of REACH.

2. Compliance with SVHC Requirements:

The Products comply with the REACH Regulation, specifically with the 241 Substances of Very High Concern (SVHC) outlined in the Regulation (EC No. 1907/2006).

3. Ongoing Monitoring and Compliance:

ZIPP is committed to monitoring any updates or changes to the SVHC requirements under REACH on an ongoing basis. However, due to potential variations in product use conditions, testing methods, and locations that may affect the SVHC content in the Products, ZIPP will provide the necessary information in compliance with REACH requirements should the Products meet the reporting thresholds.
